SHORTHORNS

Thursday, January 20, 1944  
at Sale Pavilion at south edge of  
MARYVILLE, MISSOURI

Joseph Madden's  
Complete Dispersion of  
**SHORTHORNS**

This is one of Supreme Goldfinder's first calves and out of one of our cows.. He stood third at the American Royal in 1940. The two calves that placed above him were shown by Oklahoma A. & M. These two, along with another, won the group of three steers over all breeds at the International.. The Shorthorn Association uses the picture of these calves in their advertising.

## ANNOUNCEMENT

I have hesitated in dispersing this herd of cattle, as they have done well for me; but having a purebred herd of Chester White hogs to care for, too, and being unable to get any help, I have decided to disperse my cattle until after the war is over.

In starting my herd of purebred Shorthorns, I purchased ten heifers from J. W. McClaskey of Fillmore. They were all sired by Helfred Supreme, one of the best Shorthorn bulls I had seen anywhere, and that includes the big shows. Since then, I have bought heifers from Bellows Bros., Retzlaff, Allen, and Wilkinson. I purchased Sni-A-Bar Regal Crown my herd bull, from Sni-A-Bar Farms. He has a thick, smooth covering of flesh over the ribs and back, has a good tail setting, and has a very good, round, and especially low in the flank and twist. He has proven himself a wonderful sire, transmitting these desirable traits to his calves.

During the last few years, since we have had these Shorthorns, we have shown steers at the leading shows.

In 1940, we had the champion calf at our county show, and in both 1940 and 1941, we had the 2d prize calf at the Interstate Show at St. Joseph. In the last three consecutive years we have had the 2d prize calf at the American Royal. Also in 1940, we had the 3d prize calf at the American Royal, one of the strongest classes to be seen at the Royal. We had the Grand Champion calf at the Midwest Show in Kansas City in 1942. These prizes were all won on different calves.

The cattle in this sale are not fat—they are just in their working clothes. They would bring much more if they were fat, but they would do you no more good.

You will see me again in the purebred cattle business. This is just a recess for a few years till I can get some help. I like to work with good cattle; so when the war is won, I am going to be raising them again.

Bellows Bros. of Maryville, Missouri, are consigning six good red and roan bulls, all of good serviceable age now.

There will be several good, purebred Shorthorn cows that are not recorded or listed in the catalog that will sell.

JOE MADDEN,  
Maryville, Missouri
